

Year 5 Overview

YEAR	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Subjects						
Enhancements	Winter Comfy Reads	Christmas Cinema Trip	Walk to a local church	Dunham Massy. Anglo Saxon Day	One Adventure (night on the field with climbing wall)	DT parents in to help Emma Evans Artist Rounders competition
Maths	Number: Place Value Number: Addition and Subtraction Number: Multiplication and Division	Number: Multiplication and Division Number: Fractions	Number: Multiplication and Division Number: Fractions	Number: Fractions Number: Percentages and Decimals	Measurement: Area and Perimeter Statistics Geometry: Properties of Shape	Geometry: Position and Direction Number: Decimals Number: Negative Numbers Measurement: Converting Units Measurement: Volume
Writing Focus	To entertain: Dilemma Narrative To inform: Newspaper article	To entertain: Haiku Poems To explain: Non-chronological report	To persuade: Persuasive leaflet To recount: Diary Entry	To entertain: Character description To entertain: Figurative Poetry	To entertain: Precis To explain: Instructions	To discuss: Balanced argument To entertain: Characterising Speech
Reading Focus	A Series of Unfortunate Events	Kensuke's Kingdom	The Arrival	Nowhere Emporium	Street Child	Little People, Big Dreams -Emeline Pankhurst
Science	Properties and changes of materials How does a sugar cube change as it is put in a glass of water? – observing over time	Earth and space Is there a pattern between the size of a planet and the time it takes to travel around the Sun? – pattern seeking	Forces Which shape parachute takes the longest to fall? – comparative and fair testing	Forces Which shape parachute takes the longest to fall? – comparative and fair testing	Living things and their habitats Can you identify all the stages in the human life cycle? – identifying and classifying	Animals including humans Why do people get grey/white hair when they get older?

Computing	Strategic searching online	Internet safety National College	NCCE Filming techniques		Flowol	NCCE Flat file databases
History		Mayans What did the Mayans do differently?		Anglo-Saxons How did the Anglo Saxons invade and settle and what changed in Britain as a result?		Manchester Suffragette Movement What did the Manchester Suffragettes do to shock Britain?
Geography	Changes in Our Local Environment- How is the UK changing?		Europe: A Study of the Alpine Region. What are the human and physical features of an Alpine region?		Journey: Trade Where do all our commodities come from?	
Art	Self Portrait using mixed media.		Sculpture and 3D		Drawing	
D and T		Food Can you alter ingredients when making bread?		Moving Cars What make features do I need to make a moving vehicle?		Textiles- Phone cases What type of stitching is suitable for a phone case?
Music	Composition Notation- Ancient Eygpt	Christmas Performance	Blues	South and West Africa	Composition to represent the festival of colour – Holi festival.	
RE	PPA Believing Why do some people believe God exists?	PPA Believing Why do some people believe God exists?	PPA Expressing If God is everywhere, why go to a place of worship?	PPA Expressing If God is everywhere, why go to a place of worship?	PPA Living What does it mean to be a Muslim in Britain today?	PPA Living What does it mean to be a Muslim in Britain today?
PE	Tricks and Flicks Gymnastics Teachers Tennis	Tricks and Flicks Football Teachers Netball	Tricks and Flicks Dance Teachers Rugby	Tricks and Flicks Volleyball Teachers Golf	Tricks and Flicks Cricket Teachers Athletics	Tricks and Flicks Rounders Teachers Athletics
PSHCE	Being Me in My World	Celebrating Difference	Dreams and Goals	Healthy Me	Relationships	Changing Me
Spanish	All about me How do we talk about ourselves in Spanish?		The way we look		In the classroom How do we talk about school in Spanish?	

			How do we talk about our appearance and feelings in Spanish?			
Outside Learning Opportunities	Using natural materials outside to represent place value	Human Solar System on the playground. Outdoor poetry	Friction experiment	Worthington Formula One – Racing motorised vehicles	Music performance	Position and direction.

Please find below the year groups sticky knowledge. The skills progression for each subject can be found within the website under 'Our Learning'. Information about Maths and English knowledge are sent out separately. Please note the order of topics may change due to cohorts/term length.

Year 5 Autumn Term Overview

Art and Design	Geography	Design and Technology
How can I create a self-portrait?	How is our country changing?	Can you alter ingredients when making bread?
<p><u>Knowledge</u></p> <ul style="list-style-type: none"> Develop a drawing into a painting. Create a drawing using text as lines and tone. Experiment with materials and create different backgrounds to draw onto. Use a photograph as a starting point for a mixed-media artwork. Take an interesting portrait photograph, exploring different angles. Adapt an image to create a new one. Combine materials to create an effect. Choose colours to represent an idea or atmosphere. Develop a final composition from sketchbook ideas. <u>Knowledge of artists:</u> Artists are influenced by what is going on around them; for example, culture, politics and 	<p><u>Knowledge</u></p> <p>Some key topographical features of the UK and our own region.</p> <p>That local people will have differing opinions about change in their region, and to explain some ways in which development can be sustainable.</p> <p>That regions change over time and that change is continual.</p> <p>That change is happening in the local area, and that changes will continue to happen.</p> <p>How the local area has changed and how it might change in the future</p> <p>How the local area has changed and to consider what it might be like in the future.</p>	<p><u>Knowledge</u></p> <p>I know the names of some bread and their origins –</p> <p>Bagels (polish) soda bread (Ireland)</p> <p>Baguette (France) Naan and Chapatti (India) Pitta Bread (Middle East).</p> <p>I know why I need to wash my hands and have a clean area before handling food.</p> <p>I know that bread is a carbohydrate. I know</p> <p>Carbohydrates give us energy and are an important part of our diet. I know many people eat bread as part of a balanced diet. I know which is different ingredients are needed to make bread and how ingredients can be altered and mixed to create different effects.</p>

<p>technology. Artists use self-portraits to represent important things about themselves. Artists can choose their medium to create a particular effect on the viewer. Artists can combine materials; for example, digital imagery, with paint or print.</p> <p><u>Evaluating and analysing:</u> People make art to portray ideas about identity. Talking about plans for artwork, or evaluating finished work, can help improve what artists create. Comparing artworks can help people understand them better.</p>		<p>I know that flour, yeast, salt, warm water, butter are the ingredients to make a bread dough.</p> <p>I know that yeast makes the dough rise, a bread product without yeast is unleavened bread.</p> <p>I know that you can add sweet and savoury ingredients to alter to taste and texture.</p>
<p><u>Vocabulary</u> art medium, atmosphere, background, carbon paper, collage, composition, continuous line drawing, evaluate, justify, mixed media, monoprint, multi-media, paint wash, portrait, printmaking, represent, research, self-portrait, texture, transfer</p>	<p><u>Vocabulary</u> Legacy, Regeneration, County, British Isles, Region, sustainable.</p>	<p><u>Vocabulary</u> safety, hygiene, evaluate, origin, balanced diet, carbohydrate, ingredients, aesthetics, texture, yeast, energy, alter and knead</p>
<p>RE</p>	<p>History</p>	<p>Spanish</p>
<p>Why do some people think God exists?</p> <ul style="list-style-type: none"> • Christians <p>Non-religious (e.g. Humanist)</p>	<p>What did the Mayans do differently and what changed in Britain as a result?</p>	<p>How do we talk about ourselves in Spanish?</p>
<p><u>Knowledge</u> <u>How many people believe in God?</u></p> <ul style="list-style-type: none"> • To be able to define the terms theist, atheist and agnostic: theist is someone who believe in God, atheists don't believe in God and agnostics are undecided. • To be able to express their own ideas about theism, atheism and agnosticism and use the vocabulary to define themselves. 	<p><u>Knowledge</u> I know who the Mayans were and when they lived.</p> <ul style="list-style-type: none"> • The Mayans were a civilisation that lasted for over 3000 years (2,000BCE – 1500AD) • The Mayans lived in Mesoamerica which is now modern Mexico and parts of Central America. • The Mayan Civilisation ended when the Spanish invaders arrived and took over the region in the 16th Century. <p><u>I know about Mayan society and what they believed.</u></p>	<p><u>Knowledge</u> To recognise and use different key phrases related to the topic of introducing yourself. Children can say a range of greetings (hello, good morning/afternoon/night, goodbye, see you later, see you soon etc – some revision from Y3/4) Children can ask key questions such as 'What is your name?' 'Where do you live?' and 'How are you?' – some revision from Y3/4)</p>

<ul style="list-style-type: none"> To be able to give a reason why a Christian believes in God, a reason why an atheist does not and why some people are undecided. To be able to explain what facts beliefs and opinions are: facts are true, opinions are a person's viewpoint and belief are what a person believes to be true. <p><u>What do Christians believe about how the world began? What other ideas are there?</u></p> <ul style="list-style-type: none"> To be able to recount the Creation Story (that God created the world and everything on it in 6 days and on the 7th day he rested) To compare with the Big Bang Theory (the scientific viewpoint that the Universe began as a single point billions of years ago and it has been expanding out ever since). <p>To be able to express their opinion on can someone be religious and still believe the Big Bang Theory.</p>	<ul style="list-style-type: none"> The Maya built amazing cities like Tika Mayan cities were ruled by different Kings and Queens. Maya believed in Gods that represented different parts of life Mayans believed that priest could communicate with the Gods. They were responsible for leading worship and sacrifice. <p><u>I Know the importance of the Mayan writing and number system.</u></p> <ul style="list-style-type: none"> The Maya created their own base 20 number system and used symbols to represent their numbers including pebbles sticks and shells. Mayans used symbols and hieroglyphs to write and had books called codices which folded out. Writing could be found on stone or on pottery. 	<p>To take part in a short conversation about yourself and who you live with. Children can ask someone's name and where they live and respond. Children can ask the question 'Who do you live with? (Con quién vives?) and answer, describing their family members (padre, madre, hermano, hermana) and pets (perro, gato, hámster, pez, cobaya, conejo).</p> <p>To introduce myself orally and in writing. Children can say how old they are and when their birthday is ('Tengo ____ anos. Mi cumpleaños es el _____.')</p> <p>Children can write a short paragraph about themselves, saying their name, where they live, how old they are and who they live with.</p>
<p><u>Vocabulary</u> Theist, Atheist, Agnostic, Humanist, almighty, Creator, Creation Story, Big Bang Theory</p>	<p><u>Vocabulary</u> Tikal Palenque, sacrifices, codices, codex carvings Chac Maize God -Yum Kaaz Itzamna K'inich Ahau Kukulcan Kimi Ix Chel, civilisation</p>	
<p>Music Composition Notation (Ancient Egypt)</p>	<p>Computing How can I stay safe online?</p>	<p>Science Is there a pattern between the size of a planet and the time it takes to travel around the Sun?</p>
<p><u>Knowledge</u></p>	<p><u>Knowledge</u> I know how to look at the sender and subject to spot a spam email.</p>	<p><u>Knowledge</u></p>

<ul style="list-style-type: none"> - To know that simple pictures can be used to represent the structure (organisation) of music. - To understand that a slow tempo and a minor key (pitch) can be used to make music sound sad. - To understand that in written staff notation, notes can go on or between lines, and that the lines show the pitch of the note. 	<p>I know what the potential dangers of spam email.</p> <p>I know why it is important to cite a source.</p> <p>I know how to cite a website.</p> <p>I know how to follow a citation to access an online source.</p> <p>I know the rules for creating a strong password.</p> <p>I know how to create a strong password using a set of rules.</p> <p>I know why having a strong password is important.</p> <p>I know how to recognise changes that have been made to an original photograph.</p> <p>I know how to digitally alter a photograph.</p> <p>I know how to stay safe online.</p> <p>I know examples of unsafe online behaviour and the possible consequences.</p> <p>I know how to apply online safety rules to a given scenario.</p>	<p>The sun is a star and it is at the centre of our solar system.</p> <p>There are 8 planets and we can name them.</p> <p>These planets travel around the Sun in fixed orbits.</p> <p>Earth takes 365.25 days to complete its orbit around the Sun.</p> <p>We have a leap year every four years because of this.</p> <p>The Earth rotates on its axis every 24 hours. As Earth rotates, half faces the Sun (day) and half is facing away from the Sun (night).</p> <p>As the Earth rotates, the Sun appears to move across the sky.</p> <p>The moon orbits the Earth, it takes about 28 days to complete its orbit.</p> <p>The Sun, Earth and Moon are approximately spherical.</p>
<p><u>Vocabulary</u> accuracy, backing track, balance, composition, control, crotchet, dotted minim, ensemble, expression, features, fluency, lyrics, minim, minor key, notation, parts, pitch, pitch notation, quaver, repeating, rhythm, semibreve, sheet music, staff notation, stave, structure, tempo, tune, tuned percussion, unison, vocal warm-ups</p>	<p><u>Vocabulary</u> Online, spam, email, scam, virus, citation, plagiarism, copyright, passwords, personal information, photographs, editing, social media, comic. Cite, citation, plagiarism, source, website, bibliography, Email, spam, link, privacy, virus, scam, phishing, inbox, junk, sender, subject. Passwords, secure, safe, account, online, private. Posts, media, image, photography, digital, photoshop, edit, filter, apps, software, social media, adverts.</p>	<p><u>Vocabulary</u> Earth, Sun, Moon, Mercury, Venus, Mars, Jupiter, Saturn, Uranus, Neptune, spherical, solar system, rotates, star, orbit, planets.</p>
	<p>How can I use a search engine effectively?</p>	<p>How does a sugar cube change as it is put in a glass of water?</p>
	<p><u>Knowledge</u></p>	<p><u>Knowledge</u></p>

	<p>I know what a web crawler is.</p> <p>I know how web indexing works.</p> <p>I know how search engines work.</p> <p>I know what a search engine is.</p> <p>I know what a search engine is used for.</p> <p>I know how to access a trusted search engine.</p> <p>I know to use keywords to refine my search.</p> <p>I know that just because information is online doesn't mean it is true.</p> <p>I know what makes a trusted web page</p> <p>I know why trusted websites are important</p> <p>I know how Boolean operators can affect my search results.</p>	<p>Materials have different uses depending on their properties and state (liquid, solid or gas).</p> <p>Properties include hardness, transparency, electrical and thermal conductivity and attraction to magnets.</p> <p>Some materials will dissolve in a liquid and form a solution while others are insoluble and form sediment.</p> <p>Mixtures can be separated by filtering, sieving and evaporation.</p> <p>Some changes to materials such as dissolving, mixing and changes of state are reversible, but some changes such as burning wood and frying an egg result in the formation of new materials and these are not reversible.</p>
	<p><u>Vocabulary</u> Browser, Internet, search engine, network, search results, search terms, URL, web browser, web page, website, World Wide Web (www)., Boolean operators, Domain name, protocol, reliability, scheme, second-level domain, secure, subdomain, top-level domain, trustworthy, URL, Search Engine Optimisation (SEO), search engine results page, Web crawler, spider, web indexing, index, search engine index, hyperlink, marketing, server, user, target audience</p>	<p><u>Vocabulary</u> thermal/ electrical, insulator/ conductor, change of state, mixture, dissolve, solution, soluble, insoluble, filter, sieve, reversible/non-reversible change, burning, new material.</p>

Physical Education	Physical Education	Physical Education	Physical Education
Gymnastics	Football	Netball	Tennis
<u>Declarative Knowledge</u> <ul style="list-style-type: none"> Develop your own gymnastic sequences by understanding, choosing, 	<u>Declarative Knowledge</u> <ul style="list-style-type: none"> Learn how to evaluate and recognise success. 	<u>Declarative Knowledge</u> <ul style="list-style-type: none"> Know the difference between attacking and defending skills. 	<u>Declarative Knowledge</u> <ul style="list-style-type: none"> Identify spaces and understand the tactic of hitting into gaps.

<p>and applying a range of compositional principles.</p> <ul style="list-style-type: none"> Identify which aspects of a performance were performed consistently, accurately, fluently, and clearly; being able to provide constructive feedback. 	<ul style="list-style-type: none"> Understand how physical activity can contribute to a healthy lifestyle. Choose different formations to suit the needs of the game 	<ul style="list-style-type: none"> Know how to mark and defend your goal. Begin to understand how muscles work and explain how the body reacts to physical activity. Identify strengths and weaknesses of your own and other performances and explain your reasoning 	<p>-Watch and evaluate the success of games, being able to explain why a performance is good, and what part of a performance could be improved and why.</p>
<p><u>Procedural Knowledge</u></p> <ul style="list-style-type: none"> Perform movements accurately with a sense of rhythm. Explore, improvise, and combine movement ideas fluently and effectively. Make up longer sequences and perform them with fluency and clarity of movement, choosing skills that meet the needs of the situation. Develop flexibility, strength, control, technique, and balance. 	<p><u>Procedural Knowledge</u></p> <ul style="list-style-type: none"> Apply basic principles for defending - Defend by marking, covering, and tracking opponents as appropriate. Participate in competitive games, modified where appropriate. Perform skills (e.g. passing) with accuracy, confidence and control whilst developing technique. Keep possession of the ball when faced with opponents. Apply basic principle for attacking – Use a variety of tactics to keep possession of the ball. 	<p><u>Procedural Knowledge</u></p> <ul style="list-style-type: none"> Use a variety of skills to keep the ball, thinking about moving towards goal, different positions and the use of space. Increase accuracy and confidence of passing and shooting skills. 	<p><u>Procedural Knowledge</u></p> <ul style="list-style-type: none"> Hit the ball with purpose. Play shots on the forehand and backhand side of your body. Direct the ball towards the opponent’s court or target area. Participate in competitive games, modified where appropriate. Use good footwork that allows the ball to be hit with good technique. Adopt a good ready position and show good position on court.
<p><u>Vocabulary</u></p> <p>Front Support, back support, creativity, evaluate, improve, pose, observe, fluency, flow, flight</p>	<p><u>Vocabulary</u></p> <p>Marking, tactics, accuracy, experiment, possession, support, tackle, defence, opposition, patience, power, referee</p>	<p><u>Vocabulary</u></p> <p>Attack/Defend, heart rate, direction, chest pass, rules, power, bounce Pass, technique, mark/track/cover, feedback, teamwork, shoot</p>	<p><u>Vocabulary</u></p> <p>Court, target, backhand, rally, power, service, cooperative, competitive, follow through, respond, decision making, teamwork, doubles, feedback,</p>

PSHCE

Being me in my world

Planning the forthcoming year
Being a citizen

Celebrating difference

Cultural differences and how they can cause conflict
Racism

Rights and responsibilities
 Rewards and consequences
 How behaviour affects groups
 Democracy, having a voice, participating

Rumours and name-calling
 Types of bullying
 Material wealth and happiness
 Enjoying and respecting other cultures

Year 5 Spring Term Overview

Art and Design	Geography	Design and Technology
How can installation art communicate an idea?	Where are the Alps?	What features do I need to make a motorised moving vehicle?
<p><u>Knowledge</u></p> <ul style="list-style-type: none"> • Make an explosion drawing in the style of Cai Guo-Qiang, exploring the effect of different materials. • Try out ideas on a small scale to assess their effect. • Use everyday objects to form a sculpture. • Transform and manipulate ordinary objects into sculpture by wrapping, colouring, covering and joining them. • Try out ideas for making a sculpture interactive. • Plan an installation proposal, making choices about light, sound and display. • <u>Knowledge of artists:</u> Artists are influenced by what is going on around them; for example, culture, politics and technology. How an artwork is interpreted will depend on the life experiences of the person looking at it. Artists create works that make us question our beliefs. Art can be interactive; the viewer becomes part of it, experiencing the artwork with more than one of the senses. <p><u>Evaluating and analysing:</u> Sometimes people disagree about whether something can be called 'art'. Art doesn't always last for a long time; it can be</p>	<p><u>Knowledge</u></p> <p>How to use physical and political maps to identify a region in Europe.</p> <p>That Alps are a mountain range in Europe.</p> <p>That they are the youngest mountain range in Europe.</p> <p>The Alps are an Alpine region.</p> <p>The alps be found in France, Italy, Slovenia, Austria, Germany, Lichtenstein.</p> <p>How fold mountain ranges are formed, and that mountains form over millions of years because the Earth is continually changing.</p> <p>How homes are designed to suit their physical location.</p> <p>The importance of the tourist industry to Alpine communities and to understand that tourism brings advantages and disadvantages.</p>	<p><u>Knowledge</u></p> <p>I know a motorised vehicle needs to have a circuit and a pulley mechanism.</p> <p>I know a motorised vehicle must have:</p> <p>Motor Driving pulley Drive belt Driven pulley Wheels Axles Bearings</p> <p>I know circuits contain a motor, switch, battery and wires.</p>

<p>temporary. People make art to express emotion. People make art to encourage others to question their ideas or beliefs. People can explore and discuss art in different ways, for example, by visiting galleries, discussing it, writing about it, using it as inspiration for their own work or by sharing ideas online. Some artists become well-known or famous, and people tend to talk more about their work because it is familiar. Talking about plans for artwork, or evaluating finished work, can help improve what artists create. Comparing artworks can help people understand them better.</p>	<p>The causes and effects of avalanches.</p>	
<p><u>Vocabulary</u> analyse, art medium, atmosphere, concept, culture, display, elements, evaluate, experience, features, influence, installation art, interact, interactive, location, mixed media, performance art, props, revolution, scale, scaled down, special effects, stencil, three dimensional</p>	<p><u>Vocabulary</u> Legacy, Regeneration, County, British Isles, Region, sustainable.</p>	<p><u>Vocabulary</u> Prototype, motorised, circuit, design criteria, pulley, electric, Driving pulley, Drive belt, Driven pulley ,Wheels, Axles,Bearings, motor, switch, battery and wires.</p>
<p>RE</p>	<p>History</p>	<p>Spanish</p>
<p>If God is everywhere, why go to a place of worship?</p> <ul style="list-style-type: none"> • Christians • Hindus • Jewish people 	<p>How did the Anglo Saxons invade and settle?</p>	<p>How do we talk about our appearance and feelings in Spanish?</p>
<p><u>Why go to place of worship?</u></p> <ul style="list-style-type: none"> • To be able to say that Christians go to a church, Hindus go to a temple (Mandir) and Jews go to a Synagogue. • To be able to say what some similarities are (people attend for special celebrations as well as going regularly, they have decorative features, prayer books etc) • To compare the features of Anglican and Baptist churches: Anglican churches have 'Holy Communion' and a font whereas Baptist 	<p><u>Knowledge</u> I know who the Anglo-Saxons were and why they settled in Britain.</p> <ul style="list-style-type: none"> • The Anglo-Saxons were invited by the British King Vortigern to fight against the Scots and the Picts. • Once the first Anglo-Saxons arrived in Britain, they liked it and decided to stay. • The Anglo-Saxons invaded and settled in Britain migrating from Germany, Denmark and The Netherlands. 	<p><u>Knowledge</u> To recognise and use different vocabulary related to the topic of body parts. Children can say the words for body parts, including: eyes, ears, mouth, nose, head, shoulders, knees, feet. Children can notice when to use la/las/el/los before each body part. To describe your hair and eyes. Children know the word for hair and eyes. Children can describe the colour of their hair/eyes and their hair style (short/long – corto/largo).</p>

churches have a pool for baptisms. They both have rooms for children to learn and play and crosses (with no crucified Jesus)

- To know that Hindu's place of worship is called the Mandir.
- To be say that Puja is a worship ritual and be able to recall some of the items on a Puja tray (incense, bell, water and spoon, tilak pot, lamp, offerings).
- To know that Passover is a Jewish celebration commemorating the Hebrew's liberation from slavery in Egypt.
- To know that the Seder dish traditionally holds 6 items that each represent a part of the Passover story.

I know how the Anglo Saxons have influenced place names in the present day.

- The Anglo-Saxons used Saxon language to name places.
- Some parts of Saxon language can still be found in the name of our towns.
- Towns which have Anglo-Saxons place names indicates areas which the Anglo Saxons settled.

I know what a typical Anglo-Saxon village was like and can explain what jobs the people did.

- Anglo-Saxon houses were built of wood and had thatched roofs made of straw.
- An Anglo-Saxon family home had one room, with a fire for cooking, heating and light.
- Anglo- Saxon children were considered to be adult from the age of 10 and expected to work.
- Anglo-Saxon women were responsible for cooking, weaving cloth and housekeeping.
- Anglo-Saxons men were expected to fight as part of the army, hunt, farm and make jewellery.

I can understand how Anglo-Saxon Britain was ruled.

- Each Anglo- Saxon kingdom each had their own leader or war chief.
- Each Anglo-Saxon King ruled a kingdom and led a small army.
- The Anglo-Saxon Kings were from a ruling family and passed their power onto their children.

To apply my knowledge of adjectives to describe feelings.

Children can ask 'Como estas hoy?' (How are you today?)

Children can say how they are feeling ('Estoy _____ - using Spanish words for surprised, excited, tired, happy, sad, irritated) and recognising that they have to change the adjective if they are male or female (contenta/contento).

Vocabulary

Worship, Christians, Hindus, artefacts, puja, Mandir, Judaism, Passover, Seder dish

Vocabulary

Anglo-Saxon, Witan, legacy, Wessex, Sussex, Northumbria, Kent, East Anglia, Essex, Mercia, Kingdom, settlement, invaders, agriculture, migrated.

Music	Computing	Science
Blues	What makes an effective video?	Which shape parachute takes the longest to fall?
<p><u>Knowledge</u></p> <ul style="list-style-type: none"> - To understand that a chord is the layering of several pitches played at the same time. - To know that 12-bar Blues is a sequence of 12 bars of music, made up of three different chords. - To know that 'blues' music aims to share feelings and blues songs tend to be about sadness or worry. - To know that a 'bent note' is a note that varies in its pitch, e.g. the pitch may slide up or down. - To understand that a chord is the layering of several pitches played at the same time. - 	<p><u>Knowledge</u></p> <p>I know how to explain that video is a visual media format</p> <p>I know how to identify features of videos</p> <p>I know the features in different videos</p> <p>I know how to identify and find features on a digital video recording device</p> <p>I know how to experiment with different camera angles</p> <p>I know how to make use of a microphone</p> <p>I know how to suggest filming techniques for a given purpose</p> <p>I know how to capture video using a range of filming techniques</p> <p>I know how effective my video is</p> <p>I know how to outline the scenes of my video</p> <p>I know how to decide which filming techniques I will use</p> <p>I know how to create and save video content</p> <p>I know how to store, retrieve, and export my recording to a computer</p> <p>I know how to improve a video by reshooting and editing</p> <p>I know how to select the correct tools to make edits to my video</p> <p>I know how to make edits to my video and improve the final outcome</p> <p>I know that my choices when making a video will impact the quality of the final outcome</p> <p>I know how to evaluate my video and share my opinions</p>	<p><u>Knowledge</u></p> <p>A force causes an object to start moving, stop moving, speed up, slow down or change direction.</p> <p>Gravity is a force that acts at distance. Everything is pulled to the Earth by gravity. This causes unsupported objects to fall.</p> <p>Air resistance, water resistance and friction are contact forces that act between moving surfaces. The object may be moving through the air or water, or the air and water may be moving over a stationary object.</p> <p>A mechanism is a device that allows a small force to be increase to a larger force. The pay back is that it requires a greater movement. The small force moves a long distance and the resulting large force moves a small distance e.g. a crowbar or bottle top remover.</p> <p>Pulleys, levers and gears are all mechanisms, also known as simple machines.</p>

<u>Vocabulary</u> 12-bar blues, ascending scale, backing track, bar, bent notes, blues, blues scale, chord, convey, descending scale, expression, features, flat, improvisation, lyrics, pitch, quavers, scale, sharp, solo, staff notation	<u>Vocabulary</u> Video, audio, camera, talking head, panning, close up mid-range, long shot, moving subject, side by side, high angle, low angle, normal angle, Static camera, zoom, pan, tilt, storyboard, filming, review, Delete, trim, reorder, export, evaluate, share	<u>Vocabulary</u> force, gravity, Earth, air resistance, water resistance, friction, mechanisms, simple machines, levers, pulleys, gears
South and West Africa		
<u>Knowledge</u> -To know that songs sung in other languages can contain sounds that are unfamiliar to us, like the clicks of the Xhosa language. <ul style="list-style-type: none"> - To know that 'The Click Song' is a traditional song sung in the Xhosa language and is believed to bring good luck at weddings. - To understand that major chords create a bright, happy sound. - To know that poly-rhythms means many rhythms played at once. 		
<u>Vocabulary</u> a capella, break, call and response, chords, chord progression, diction, djembe, duo, dynamics, eight-beat break, ensemble, expression, improvisation, major chord, master drummer, metronome, performance, polyrhythms, pronunciation, pulse, ostinato, rests, rhythm, soloist, syncopation, tempo, tuned percussion, unaccompanied, vocals		

Physical Education	Physical Education	Physical Education	Physical Education
Dance	Tag Rugby	Volleyball	Golf
<u>Declarative Knowledge</u> • Identify which aspects were performed consistently, accurately, fluently, and clearly and be able to provide feedback.	<u>Declarative Knowledge</u> • Begin to understand the importance of lines in tag rugby – both for attack and defence.	<u>Declarative Knowledge</u> • Create short warm up routines that follow basic principle e.g. raise body	<u>Declarative Knowledge</u> • Understand the technique to be able to chip at different heights.

<ul style="list-style-type: none"> • Work effectively as part of a team. • Explain how their bodies reacts and feels when taking part in different activities and undertaking different roles. 	<ul style="list-style-type: none"> • Use simple tactics in games to achieve success as a team. • Understand the defensive duties in tag rugby and the process of tagging. 	<p>temperature, mobilise joints and muscles.</p> <ul style="list-style-type: none"> • Understand how the muscles work e.g. work by getting shorter, relax by getting longer. • Develop an understanding of how to improve in different physical activities and sports. Recognise part of a performance that could be improved and explain how. • Learn how to evaluate and recognise their own success. 	
<p><u>Procedural Knowledge</u></p> <ul style="list-style-type: none"> • Continue to develop a broader range of skills and movement patterns, exploring and practicing movement ideas inspired by a stimulus. • Use basic compositional principles when creating dances – combining movements fluently and effectively. • Perform a range of movements accurately with a sense of rhythm. • Create and structure dance motifs, phrases, and sections of dances, developing expressive qualities. 	<p><u>Procedural Knowledge</u></p> <ul style="list-style-type: none"> • Increase accuracy and control when passing and catching whilst moving at speed. • Participate in competitive games, following the rules and playing fair. • Continue to improve different ways to pass – fast, slow, high, low. 	<p><u>Procedural Knowledge</u></p> <ul style="list-style-type: none"> • Adopt a good ready position on court and show good awareness of others in game situations. • Direct the ball towards the opponent’s court or target area. • Apply basic principles suitable for attacking and defending. Identify spaces and understand the tactic of hitting into gaps. 	<p><u>Procedural Knowledge</u></p> <ul style="list-style-type: none"> • Apply both the putting and chipping techniques to competitive games. (<i>golf</i>) • Show control and control to make accurate shots. • Begin to develop the driving technique. • Increase accuracy and distance when practicing the driving technique and participate in driving games.
<p><u>Vocabulary</u></p> <p>Emotions, expressions, rehearse, unison, canon, choreography, fluency, tutting, routine, together, question and answer</p>	<p><u>Vocabulary</u></p> <p>Ready position, tag, stance, speed, attack / defend, agility, mark, dodge</p>	<p><u>Vocabulary</u></p> <p>Ball Flight, ready Position, spike, court, heart rate, evaluate, successful, flexibility, power, serve, recover, direction, position, wide, defend</p>	<p><u>Vocabulary</u></p> <p>chipping putting target speed accuracy co-ordination technique</p>

Year 5 Summer Term Overview

Art and Design	Geography	Design and Technology
What is Retrofuturism?	Where do all our things come from?	What type of stitching is suitable for a phone case?
<p><u>Pupils know...</u></p> <ul style="list-style-type: none"> • What print effects different materials make. <p><u>Know how to...</u></p> <ul style="list-style-type: none"> • Analyse an image that considers impact, audience and purpose. • Draw the same image in different ways with different materials and techniques. • Make a collagraph plate. • Make a collagraph print. • Develop drawn ideas for a print. • Combine techniques to create a final composition. • Decide what materials and tools to use based on experience and knowledge. • <u>Knowledge of artists:</u> Artists are influenced by what is going on around them; for example, culture, politics and technology. Artists ‘borrow’ ideas and imagery from other times and cultures to create new artworks. Artists can choose their medium to create a particular effect on the viewer. Artists can combine materials; for example, digital imagery, with paint or print. <p><u>Evaluating and analysing:</u> People make art to fit in with popular ideas or fashions. People can explore and</p>	<p><u>Knowledge</u></p> <p>That our food and clothes can come from all over the world.</p> <p>That each type of fruit grows in particular climatic conditions and in a particular season, and that fruit may have to travel long distances to reach our fruit bowl.</p> <p>That clothes can be produced fairly and sustainably, and to understand that unwanted clothing may be recycled and processed.</p> <p>Which locally made and grown products are available in our area, and to investigate locally imported products available in our area.</p> <p>The perspectives of a range of people on geographical issues, and to understand that what people buy affects the lives of others.</p> <p>The journey of a product to your home.</p>	<p><u>Knowledge</u></p> <p>I know the purpose of a phone case is to protect a phone and to make it aesthetically pleasing.</p> <p>I know a phone case must be durable</p> <p>A seam is when two pieces of fabric are joined together and then folded apart.</p> <p>I know that a back stitch makes a join stronger.</p> <p>I know a blanket stitch is a decorative stitching.</p>

<p>discuss art in different ways, for example, by visiting galleries, discussing it, writing about it, using it as inspiration for their own work or sharing ideas online. Talking about plans for artwork, or evaluating finished work, can help improve what artists create.</p>		
<p><u>Vocabulary</u> cold war, collagraph, collagraphy, composition, culture, decision, develop, evaluate, futuristic, imagery, printing plate, printmaking, process, propaganda, purpose, repetition, Retrofuturism, revisit, space race, stimulus, technique</p>	<p><u>Vocabulary</u> Continents, Regions, Import, Export, Trade, Raw Materials, Man-made, Native, Season, Biome, Climate, Consumer, Distributor, Producer, Manufacturer.</p>	<p><u>Vocabulary</u> Needle, thread, seam, blanket stitch, back stitch, durable,</p>
<p>RE</p>	<p>History</p>	<p>Spanish</p>
<p>What does it mean to be a Muslim in Britain today?</p> <ul style="list-style-type: none"> • Muslims 	<p>What did the Manchester Suffragettes do to shock Britain?</p>	<p>How do we talk about school in Spanish?</p>
<p><u>Knowledge</u> <u>What are the five pillars of Islam?</u></p> <ul style="list-style-type: none"> • To know the first pillar of Islam is Shahadah - there is not god but Allah and Muhammed is the messenger of God. • To know the second pillar of Islam is Salah - which is the ritual of prayer. • To be able to say that the third pillar is Zakat – which means giving a proportion of their salary to charity. • To know the fourth pillar means Sawm/fasting and that this happens during the month of Ramadan. • To understand the fifth pillar is Hajj which means going on a pilgrimage to Mecca. <p>Children may then use their knowledge of the five pillars to discuss how these impact a Muslim’s daily life e.g. they may pray 5 times a day. They fast during Ramadan etc.</p>	<p><u>Knowledge</u> I know who the Suffragettes were.</p> <ul style="list-style-type: none"> • The suffragettes were a group of women who fought for equal voting rights. • Emmeline Pankhurst started the suffragette movement. <p>I know what impact the Suffragettes had on Britain.</p> <ul style="list-style-type: none"> • The suffragette movement was the beginning of women having a parliamentary vote. <p>I know why Manchester became the starting place for the Suffragette.</p> <ul style="list-style-type: none"> • Emmeline Pankhurst was raised in Manchester. • Emmeline Pankhurst and her family lived at number 62 Nelson Street and the first meeting of the movement that became known as the suffragettes took place in the parlour of this house. 	<p><u>Knowledge</u> To compare countries using appropriate adjectives and verbs. Children know the Spanish name for some European countries, including France, Germany, Italy, Belgium, England, Portugal and Spain. Children can say which countries have more inhabitants/regions than others and which countries are bigger or smaller than others. To write sentences in Spanish to answer questions about distances. Children know the Spanish words for distance, between and kilometres (distancia, entre, kilometros). Children can answer the question ‘Cuál es la distancia entre...?’ (What’s the distance between....?) two Spanish cities by saying the correct distance (‘Es seiscientos doce kilómetros’). To say which direction one city is from another using compass points in Spanish. Children know the 8 points of a compass in Spanish. Children can say what direction one city is from another (‘Bilbao esta al norte de Madrid’).</p>

	<ul style="list-style-type: none"> • Emmeline Pankhurst statue unveiled in St Peter's Square, Manchester to mark 100 years since women received the right to vote. <p>I know the role of propaganda in the Suffragette movement</p> <ul style="list-style-type: none"> • Propaganda is biased political information. • To be able to identify pro and anti-suffragette propaganda and the impact these had. • To understand the reliability of sources. <p>I know what impact the Manchester Suffragette movement had on Britain.</p> <ul style="list-style-type: none"> • The first female of parliament was elected in 1919. • The suffragette movement gained rights for women over 30 to vote. <p>The suffragette movement was the start of changes in society for equal voting rights for women.</p>	
<p><u>Vocabulary</u> Pillars, Shahadah, Salah, Zakat, Sawm, Hajj, Mecca, pilgrimage, fast</p>	<p><u>Vocabulary</u> Activist, Women's rights, Suffragette, Suffragist, militant, arson, Movement, Protest</p>	
<p>Music Compositions for the Festival of Colour (Holi Festival)</p>	<p>Computing How do we control devices?</p>	<p>Science Why do people get grey/white hair when they get older?</p>
<p><u>Knowledge</u></p> <ul style="list-style-type: none"> - To know that a vocal composition is a piece of music created only using voices. - To understand that varying effects can be created using only your voice, for example by changing the pitch, dynamic or tempo of the sound made. - To understand that human voices have their own individual timbre, and that this can be adapted by using the voice in different ways. 	<p><u>Knowledge</u></p> <p>I know how to follow a sequence of written instructions in a flowchart.</p> <p>I know how to draw a flowchart using the correct symbols.</p> <p>I know how to connect symbols in a sequence.</p> <p>I know how to insert symbols in sequence to create a working flowchart.</p>	<p><u>Knowledge</u></p> <p>When babies are young, they grow rapidly. They are very dependent on their parents.</p> <p>As they develop, they learn many skills.</p> <p>At puberty, a child's body changes and develops primary and secondary sexual characteristics. This enables the adults to reproduce.</p>

<p>- To know that the duration of a note or phrase in music can be shown using a repeated symbol or the size of a symbol on a graphic score.</p>	<p>I know how to insert new symbols to modify a flowchart. I know how to edit symbols to modify the effect.</p> <p>I know the conventional sequence for a set of traffic lights. I know how to create a flowchart to program one set of traffic lights. I know how to edit a flowchart to control two sets of traffic lights at the same time.</p> <p>I know how to connect a decision symbol in a flowchart. I know how to include the use of an input. I know different outputs based on the status of an input.</p> <p>I know how to create a subroutine separate to a main flowchart program. I know how to call a subroutine from the main flowchart program. I know how to call multiple subroutines within a program.</p> <p>I know how to decompose a problem into smaller parts. I know how to use repetition to check multiple inputs. I know how to detect errors in a flowchart and correct them.</p>	
<p><u>Vocabulary</u> dynamics, graphic score, inspiration, layering, mood, pitch, represent, soundtrack, synesthesia, tempo, texture, timbre, visual representation, vocal sounds</p>	<p><u>Vocabulary</u> Flowol, flowchart, algorithm, control, output, mimic, simulation, insert, symbol, start, stop, delay, process, decision, input, loop, subroutine</p>	<p><u>Vocabulary</u> puberty, adolescence, hormones, genitals, adulthood, reproduce, gestation</p>
	<p>How do we organise data?</p>	<p>Can you identify all the stages in the human life cycle?</p>
	<p><u>Knowledge</u> I know how to create a database using cards.</p>	<p><u>Knowledge</u></p>

I know how to explain how information can be recorded.
I know how to order, sort, and group my data cards.
I know how to explain what a field and a record is in a database.

I know how to navigate a flat-file database to compare different views of information.

I know how to choose which field to sort data by to answer a given question.

I know that data can be grouped using chosen values.

I know how to group information using a database.

I know how to combine grouping and sorting to answer specific questions.

I know which field and value are required to answer a given question.

I know how 'AND' and 'OR' can be used to refine data selection.

I know how to choose multiple criteria to answer a given question.

I know how to select an appropriate chart to visually compare data.

I know how to refine a chart by selecting a particular filter.

I know the benefits of using a computer to create charts.

I know which questions that will need more than one field to answer.

I know how to refine a search in a real-world context.

As part of their life cycle, plants and animals reproduce.
Insects can go through complete for incomplete metamorphosis.
Birds have a hatchling, nestling and fledgling stage

Most animals reproduce sexually. This involves two parents where the sperm from the male fertilises the female egg.

Animals, including humans, have offspring which grow into adults.

In other animals such as chickens or snakes, there may be eggs laid that hatch to young then grow to be adults.

Plants reproduce sexually and asexually.

Gardeners may force plants to reproduce asexually by taking cuttings.

Sexual reproduction occurs through pollination, usually involving wind or insects.

	I know how to present my findings to a group.	
	<u>Vocabulary</u> Database, record, field, graph, chart, axis, compare, filter, value, search, criteria, chart, presentation	<u>Vocabulary</u> life cycle, reproduce, sexual, sperm, fertilises, egg, live young, metamorphosis, nymph, hatchling, clone, tubers, nestling, fledgling, asexual, plantlets, runner, bulbs, cutting, cutting, pistil, stamen, petal, sepal
